SERVICE.**

About Us

Flush Drain and Sewer Cleaning, Inc. was established in the Fox Cities in 1980 and is under second generation ownership.

Flush provides service to many customers:

- residential
- commercial
- industrial
- municipal
- farms
- manufactured homes

If the unimaginable happens, rely on Flush to help you return your home or business to its normal state as quickly and efficiently as possible.

The professional staff at Flush takes great pride in the work it does for its many customers. Flush specializes in taking the extra step to ensure its customers' full satisfaction.

Professional drain cleaning services include: sewers, floor drains, sinks, tubs, showers, urinals and sump pump lines.

- Toilet unclogging or repairing
- Confined space entry
- TV / video pipe inspection
- Underground pipe location / line tracing
- High velocity water jetting
- Frozen line thawing (water, drain and heating systems)
- Odor detection
- Farm line cleaning
- **Pumping services include:**

Septic Tanks: *We can locate and dig for your tank cover. We clean main septic lines and drainage field lines with NO digging. We replace baffles and clean filters.*

Mound Systems: *(effluent pump cleaning as needed)*

Holding Tanks: *(maintenance contracts available)*

Industrial Waste: *(catch basins, car wash and maintenance bays)*

Grease Traps: *(cleaning and maintenance)*

Maintenance schedules available if needed.

Customer Satisfaction

- **Emergency Services** - available 24 hours per day, 365 days per year
- **Guaranteed Response** - 15 minute callback time, with same day on-site service.
- **Safety and Cleanliness:** are of utmost importance to us when providing service. Our technicians arrive in uniforms and drive trucks with our logo on them.

We are proud of the Flush name and believe that it has become the symbol of excellence for sewer and drain cleaning in the Fox Cities and surrounding communities.

Thanks so much to all of our clients for the confidence given to us on each and every job we encounter together. We hope to always have your business along with your friendship and loyalty.
